

# LOST

## **Cherished, well-fed black and white adult cat**

My beloved companion for the last 13 years  
Doesn't answer to anything,  
but we call her Kuan Yin.  
Sneaked out of our apartment 4/2/02  
at 800 East End Avenue  
and probably didn't wander very far (we hope).  
Please call 412.979.0780 if you see her.
